### **About Foodshare**

**Foodshare is leading an informed, coordinated response to hunger in our community.** Foodshare is the Feeding America food bank serving Connecticut's Hartford and Tolland Counties, where 127,000 people struggle with hunger. In partnership with the food industry, donors, community leaders and volunteers, Foodshare works to maximize access to nutritious food and other resources that support food security. Last year, Foodshare distributed 11.5 million meals worth of food to a network of 300 local partner programs including food pantries, meal programs, and Mobile Foodshare sites. And, because hunger is bigger than food, Foodshare collaborates with anti-hunger organizations, policy makers, and the broader community to build effective solutions to end hunger.

**Foodshare is changing what it means to be a food bank.** For more information, visit [foodshare.org](http://foodshare.org), like us on [Facebook](https://www.facebook.com/foodshare) and follow us on [Twitter](https://twitter.com/foodshare).
