

Partnership Program Grant Application 2018

The Partnership Program grant exists to help Foodshare's partner programs and Hunger Action Teams increase access to healthy food and develop innovative solutions to food insecurity in Greater Hartford, particularly among children. A proposed project should represent a new initiative for the organization or significant improvement to existing programs/projects that will help address the problem of hunger.

Examples of projects that may qualify include: increasing participation in summer or school meals, addressing childhood obesity for food insecure kids, new strategies to promote healthy food, equipment (such as refrigerator or shelves) to provide "nudges" for healthy food.

Eligibility:

Applicants (or fiduciary) must be a 501(c) 3 nonprofit organization in good standing with Foodshare. While any nonprofit organization can apply, proposals submitted through a Hunger Action Team will be given preference. Proposals that increase access to healthy food for children will also be given preference.

Foodshare anticipates granting up to \$50,000 in 2018 through Partnership Program grants. Up to \$5,000 may be awarded to single purpose projects where Partnership funding is the only funding source. \$5,001 up to \$10,000 may be awarded to collaborative projects involving multiple organizations and must have multiple funding sources.

If your proposal includes new equipment, you will need to provide two quotes along with the application to ensure you have compared prices and are satisfied the equipment will meet your needs. If you are applying for more than one type of equipment, please provide two quotes for each type of equipment. All proposals will be reviewed by Foodshare staff and applicants will be notified of a decision within 30 days.

Application deadlines: April 15, 2018 and October 15, 2018.

The entire application packet should be no longer than 5 pages. It should include a completed cover sheet (see below) and your responses to the five (5) questions shown in the "Project Information" section. Please submit the completed application (via email, fax or mail) no later than the deadlines above using the contact information below.

Sincerely,

Sarah M Santora
