About Foodshare

Providing food for people who are hungry has been at the heart of who we are for 35 years—and we will continue this work for as long as there are people in need—but **hunger is bigger than food.**

Collecting and distributing millions of meals worth of food each year gives us a stark understanding of the everyday realities of food insecurity. With your support we are building collaborative partnerships and advocating on behalf of those we serve, with one goal in mind—building a stronger and healthier Greater Hartford for us all.

Foodshare is changing what it means to be a food bank. Join the conversation online at www.foodshare.org.
