About Foodshare

Foodshare is Greater Hartford's regional food bank, working to nourish our neighbors every, single day by increasing access to healthy food. We will continue this work for as long as there are people in need—but **hunger is bigger than food.** Collecting and distributing 11.5 million of meals worth of food each year gives us a stark understanding of the everyday realities of food insecurity. With your support we are building collaborative partnerships and advocating on behalf of those we serve, with one goal in mind—building a stronger and healthier Greater Hartford for us all.

Foodshare is changing what it means to be a food bank. Join the conversation online at foodshare.org.
